PROJECTS

NoBroker | *HTML, CSS, Javascript, jQuery, NodeJS, AJAX , AngularJS , MySQL*   Aug. 2023 – Present
- Developed NoBroker, a web-based platform utilizing technologies such as HTML/CSS, Javascirpt, Jquery, NodeJS, ExpressJS, AngularJS, AJAX, MySQL and Bootstrap.
- Developed the NoBroker platform, allowing service providers from small towns to register, log in. Streamlined the process by which service providers fill out profile forms to showcase their offerings.
- Enabled customers to search for specific services within their location and seamlessly book service providers.
- Designed a user-friendly interface to bridge the gap between service providers and customers in underserved areas.
- Github Repository Link : https://github.com/laksh0786/No-Broker-Full-Stack-Project

HelpRX | *HTML, CSS, Javascript, jQuery, NodeJS, AJAX , AngularJS , MySQL*   June 2023 – July 2023
- Designed and developed HelpRX, a web-based application using HTML/CSS, Javascirpt, Jquery, NodeJS, ExpressJS, AngularJS, AJAX, MySQL and Bootstrap.
- Created a web platform facilitating user registration, login, and profile management for donors and recipients.
- Implemented a feature allowing donors to list and modify medicines they wished to donate, while enabling needy individuals to search for medicines and contact donors.
- Developed an admin page for user management, including the ability to block users and access user data.

EXPERIENCE

Summer Training	June 2023 – July 2023
Banglore Computer Education	*Bathinda, Punjab*

- Acquired comprehensive skills in web development, including HTML, CSS, JavaScript, NodeJS, AngularJS, and MySQL.
- Successfully applied the acquired knowledge to develop the HelpRX project, a web-based platform facilitating medicine donations and user interactions.
- Gained practical experience in full-stack web development, project management, and problem-solving in a collaborative team environment.

COURSEWORK

Database Management System   **Object Oriented Programming**   **Operating System**

POSITION OF RESPONSIBILITY

Organiser | *Coding Fusion University Coding Club* | *MRSPTU, Bathinda*   August 2023 – Present
- Organised various workshops and bootcamps fostering culture of coding among the students
- Proven ability to effectively oversee and optimize the way team members interact, cooperate, and function together to achieve collective goals and maintain a harmonious working environment
